

About: Our Programs & Services

The **ActionCOACH** vision is to re-educate business owners about how to build more profitable businesses, how to have less stress in their working lives and how to put together great teams in a thriving company culture.

Our services range from free information and books, CDs, DVDs and seminars to top-level one-on-one coaching.

A sampling of our most popular programs are listed below:

Group Coaching Programs

The Six Steps Seminar – a session devoted to our proprietary “Six Steps to a Better Business” program

GrowthCLUB – our highly-focused and effective one-day workshop that gives business owners a chance to create an action plan for their companies for the next 90-days.

ProfitCLUB – **ActionCOACH**'s version of a networking club, with an average of 15 to 20 business owners.

BusinessRICH – our exclusive two-day workshop that introduces a variety of our proprietary business building systems to business owners.

ActionCLUB – a seven session program over a period of 14-weeks that leads owners through the key components of running a successful and profitable business.

One-on-One Coaching Programs

StartupCOACH – Designed for small business owners who want more out of their businesses – but don't know how to get it.

StepUpCOACH – A more time-intensive program designed for small business owners who want to fast-track systems and results.

PowerUpCOACH – A highly focused growth program for businesses with steady income and profits, but that need to expand a customer base, introduce a new product or open a new outlet.

FreedomCOACH – Designed for successful businesses with a program focused on creating a better lifestyle for the owner while improving the value of the company in the marketplace.

COACHING. NOT JUST FOR SPORTS.
